# AZDEN SMX-5

Designed to work with today’s high performance DSLR cameras, the SMX-5 offers high quality stereo sound in a super compact, lightweight design. The unique, unobtrusive vertical case places the microphone elements away from the camera body for smooth response. A single “AAA” battery with a run-time of 1000 hours supplies power. The SMX-5 is fitted with a stereo mini plug DSLR output cable, On/Off switch and integrated shoe-mount holder. A removable windscreen is included.

**Cena:** $0,00
**Kategorie:** Video, Audio dla filmowców
