BLACKMAGIC DAVINCI RESOLVE EDITOR KEYBOARD

DaVinci Resolve Editor Keyboard is designed for professional editors who need to work faster and turn around work quickly. More than just a simple keyboard, DaVinci Resolve Editor Keyboard provides an alternative way to edit that is much faster than a mouse because you can use both hands at the same time! You also get an integrated search dial built right into the keyboard. Simply plug the keyboard into any computer’s USB-C connection and you are ready to go! While most keys work as a standard USB keyboard, DaVinci Resolve Editor Keyboard has also been designed to enable a dramatically faster editing experience with DaVinci Resolve.
