BLACKMAGIC MULTIDOCK 10G

Advanced SSD dock with 4 separate SSDs that can be accessed via a single high speed 10 Gb/s USB-C connection. Specifically designed for the film and television industry, Blackmagic MultiDock 10G features a rack mount design with an independent SATA driver chip on each disk to ensure fast data transfer speeds. Can be connected directly to computers for editing directly from media disks and also used with HyperDeck Extreme 8K HDR for recording and playback.
